

## **2009 BEGINNER CVALETTI GUIDELINES**

- 1. Pace and gait** – This class can be ridden at a trot or canter and is judged equally at either gait. Whether ridden at a trot or canter, the rhythm should be steady and controlled.
- 2. Equitation** – The rider should start to show a balanced jumping position i.e. a correct lower leg, some depth to the heel, eyes should be looking up around the course, and the rider should give correct releases over the fences.
- 3. Rider and horse/pony combination** – This aspect will focus on the rider's effectiveness in riding the horse/pony. Such as: proper lines and corners, correct diagonals and leads.
